

**KSA
ANNUAL REPORT
2023-24**

*Work for right
way*

Organization message

It gives me immense pleasure to present the annual report of the organization for the 31st consecutive year; it is a matter of pride for anyone who has been representing of the organization continuously for so long, many thanks to the Board of Directors of the organization for believing. Trust and cooperation of donor organizations is very important for the survival of any voluntary organization. So I am doing very thanks of all donor organizations like Heifer International, , Educate Girl, Water for People India trust, Ministry of Women and Child Development- Government of India, I thank the Swayam Shikshan Prayog - Pune, Childline India Foundation, Population Foundation of India, State bank of India Foundation and other organizations. This report is incomplete without thanking the workers who are working with full devotion day and night for making the objective of the organization successful, so I am saying very thanks to all the staff, Coordinators/Mobilizers/Managers/Auditor, Board member etc.

In the Corona era, the goal of preventing Covid, Covid vaccination, promoting employment, Skill development and self-employment at the village level, expansion of work at new geographical locations in the field of climate adaptation, entrepreneurship development and institutional development has been fixed for the coming year..

Vimal Kumari
(Secretary)

2. Maitri Project Supported by Educate Girl

Kanchan Seva AshraM has implemented to the Maitri project Supported by Educate Girl. This is a target based project. Main purpose of the project is enrolment of out of school girl (OOSG). We have indentified of the OOSG through door to door survey and found OOSG children 3903 through PMS app. After survey our team has enrolled to the 2143 OOSG and target against 2000 OOSG. After enrolment our team has done seal sign with school's HM of the enrolment girls. This program is appreciated to out of school girl.

Challenge: 1. Laciness of the document of the OOSG.

2. Headmaster's inelegancy and Arbitrary or willfulness.
3. Not interested some SC family to read the girls in school due to girls are involved in the income generation activity.
4. Some girls were not interested to read due to her community's culture and environment was not like for read.
5. Behave of the School's administration are also effected to the drop out girls.

Key activity under Project

- Door to Door survey
- HH marking
- Preparation of the map,
- Training to the project team about survey and PMS app and Survey CTO for cross verification.
- Enrolment
- Seal and Sign.
- Retention

Photographs

Enorolment during our team

Awarness for enrolment and retention

Thanks for Reading It Patiently

Thanking you...
